Upload observation notes from up to three lessons you have observed.

- ▶ These observation notes should be linked to the weekly theme and / or areas of your development.
- ▶ Ensure notes are reflections of your understanding and not judgements about the practice of others.

The screenshot shows a web form titled "Lesson Observation". At the top right, there is a "Go B" button. Below the title, a status message reads: "This record is **not submitted**. All key questions have been answered." The form contains several input fields and sections:

- Date:** A text box containing "18/09/2023" and a calendar icon.
- Link to a placement:** A dropdown menu showing "--not linked--".
- Observation (context and notes):** A section with a red header, containing a text area and a "Submit" button.
- Observation (learning and actions):** A section with a red header, containing a text area.
- What is the context of the class?:** A text area with a "Last updated: --" timestamp.
- Which of your weekly target(s) is/are your focus for this observation?:** A text area with a "Last updated: --" timestamp. Below it is a link: "Link to Weekly Training Meeting or Formal Weekly Feedback target".
- In relation to your foci: what action did the teacher take?:** A text area with a "Last updated: --" timestamp.
- What was the impact on pupils' learning?:** A text area with a "Last updated: --" timestamp.

Weekly Training Meeting

Weekly Training Meeting - week 2

18/09/2023

Due date: 16/09/2023

Incomplete [Continue](#)

One per week, each and every week.
Ensure you match to each week and do not add out of sequence.

- ✓ Trainee reflections
- ✓ Training meeting
- ✓ New SAMRT targets
- ✓ Mentor to sign off meeting.

Weekly Training Meeting - week 2

This record is **not submitted** with 19 key questions unanswered (7 mandatory).

Instructions	The weekly training meeting should be timetabled at a regular time and day of the week, with a minimum of an hour set aside for the meeting.
Trainee Reflections	In preparation for the meeting, the trainee should reflect on their learning and development over the previous week and consider the progress made towards their targets. The trainee should complete the 'trainee reflections' tab prior to the meeting.
Training Meeting	
SMART Targets	
Mentor sign-off	The mentor is responsible for leading the meeting and submitting this form. The mentor will need to be logged into their own Abyasa account to be able to complete the record.
Submit	<i>If the form needs to be edited after it is 'completed', the mentor can revert the form to the 'incomplete' phase by clicking on the blue 'here' button on the submit tab.</i>

Upload formal written feedback for up to 2 lessons

- ▶ Each week you should upload two formal written feedback records to demonstrate your progress.
- ▶ One should be for KS3 and one for KS4 (Y9 are not KS4).
- ▶ This may take a few weeks to settle as you pick up your timetable.
- ▶ It is acceptable to add feedback from parts of lessons that are relevant to a specific point in time. For example, you have only taught the 'start' of the lesson.
- ▶ Do not save these records until later in the phase, feedback allows you to make progress from early in the placement.
- ▶ Please alert your subject tutor if you have any concerns about feedback.

Post Lesson discussion

Preparation	To be completed during / after the lesson Please upload the annotated lesson plan and/or notes: Choose file Attachments: Post lesson discussion: A St Mary's University mentor will use the fundamentals of coaching to support a trainee teacher on school placement. Please see below for some coaching question prompts to guide the post lesson discussion (NB. The specific details of this discussion do not need to be documented on this feedback record.) Lesson reflection: What was the learning objective (LO) of the lesson and how far do you think the LO's were met? How do you know? Identifying strengths: What do you think went well in this lesson? What impact did it have on the learning? Deeper reflection: (Choose one specific area to narrow in on). 'I saw that you chose to do X/ planned for X/ used strategy X/ used activity X/ focused on child X. What made you do this? What evidence do you have for this? What impact do you think this had on Y? Identifying areas for development: What do you think could have been better in the lesson? What would you do differently? How might this improve the learning? Moving forward: What will your next step be? What support might you need? What might get in the way of progress and how could you reduce this barrier? Lesson feedback summary - to be completed by the mentor/observer Summary comments on pupil progress and achievement in relation to intended learning and the trainee's contribution to this. Completion

- ▶ Finally, your subject mentor will need to confirm the entry is an accurate record of the feedback.
- ▶ This can take some time when collating views, please maintain an eye on each week's 'confirmation'.

St Mary's University Twickenham London School of Education
