I understand and agree that:

1 Policies and Procedures

- 1.1 I have read and understood the [Initial Teacher Education Policy, Protocols and Frameworks](#) handbook.
- 1.2 I am required to hold a current Enhanced DBS (Disclosure and Barring Service) certificate before attending any school placement. I consent to the university sharing my DBS number with my placement school if requested. I will ensure that I have a hard copy of my DBS available.
- 1.2 If there are changes to my DBS status, I must notify my Subject Lead immediately. Failure to disclose could lead to withdrawal from the course. (To mitigate such an issue arising, it is advised you sign up to the DBS update service).
- 1.3 I have not previously attended and/or received funding for a course leading to the award of Qualified Teacher Status (QTS) and/or failed to achieve QTS.

- 1.5 I have considered the impact that the course may have on my personal/financial circumstances and believe that I will be able to complete the course. I understand that any part time employment must not impact my ability to complete my placement. (It is strongly advised you do not work while on school placement.)

4 School placements

4.1 I will accept the school allocated to me by the University, **which may involve one-way travel in excess of one hour.**

4.2 I accept that partnership schools are located across the Greater London area and beyond, and that travel to most placements will require journeys using public transport.

4.3 I accept that all travel arrangements are my own responsibility and that I will have to contribute to the travel costs.

4.4 All school placements are full time. I will be able to arrive at school every day at 8.00am and stay to (at least) 5.30pm as required.

4.5 I will attend parents' consultation meetings/staff training courses/staff meetings/out of school activities/extracurricular as required.

4.10 I understand that my placement school has the right to withdraw my placement with immediate effect should they deem it necessary to do so. This will be considered an unsuccessful placement and a resit placement will be required, a fee for which will need to be paid.

4.11 I understand that if I choose to withdraw myself from a school experience, or refuse a placement organised by Partnership for me, this will be considered an unsuccessful placement and a resit placement will be required, a fee for which will need to be paid.

4.12 All outstanding academic work must be completed before starting a resit placement.

NB Although we make every effort to, we are unable to guarantee a school placement close to a trainee's address. Those trainees who need support to travel due to a disability, will need to access DSA funding.
